PRODUCT DESCRIPTION

The Team Backpack is designed to provide swimmers with a sturdy and spacious backpack for everyday use. This bag includes a waterproof base and mesh compartment to keep your dry stuff dry and let your wet stuff air out. Use the adjustable mesh side pocket to store a water bottle or shampoo without fear of them slipping out. The large internal sleeve is perfect for a kickboard, notebook, or laptop. Unite the team by personalizing the blank top panel with your team's logo.
